Mr. William McAfee
Deputy Director for Coordination
Bureau of Intelligence and Research
Department of State

Bill:

Spoke to John about the attached. He pointed out that it would really be inappropriate for the DCI to make suggestions about appointments to US embassies. I should have thought of it myself, but the obvious place for your friend to chime in would be with your boss, Secretary Shultz. John suggests that would be a better place to start.

Sorry I couldn't be more help. Look forward to seeing you soon.
